Strike Action

At present we anticipate that school will be open to all on Thursday 16th November. If there is any change to this we will notify you via our SchoolsApp service at the earliest opportunity.

Good Luck Primary Seven

We wish our Primary Seven boys and girls who are sitting their SEAG assessments over the next few weeks the very best of luck.

We say it many times, but we really are so proud of all of our pupils here in St MacNissi's and we know that whichever post primary schools that our Primary Seven pupils attend in the future they will be a credit to.

Good luck Primary Seven!

Odd Socks Day

On Monday 13th November we will all be wearing odd socks! This will mark the start of Anti-Bullying Week. We will continue to celebrate what makes us all unique and spread kindness!

World Diabetes Day 2023

It is World Diabetes Day on Tuesday 14th November.

Fewer than one in 10 people in the UK who have diabetes have type 1 diabetes. There is nothing you can do to prevent yourself or others developing type 1 diabetes. There is currently no cure for type 1 diabetes, but Diabetes UK are funding lots of research to help find new treatments and a cure.

One of our pupils will be speaking to some of the boys and girls about diabetes and helping them to understand how this is monitored and managed.

Primary 7 Woodhall Residential Trip

We are very happy to be offering the P7 residential again this year. We are currently finalising the details and we will send a letter home with pupils next week.

Christmas Shoebox Appeal

Thank you to all the pupils who very kindly donated Christmas shoeboxes. We were able to pass on 45 shoeboxes to Team Hope and we are sure that they will be greatly received by those who receive them.

Open Night

Our school open evening for prospective pupils will take place on Wednesday 6th December from 5pm to 7pm. On this evening we will also officially launch our strategic School Development Plan for the 2023-2026 period. We invite all prospective parents and pupils, and parents of our current pupils to school on this evening.

We would appreciate if you could let anyone within our wider school community know about the date and time of open evening.

We look forward to welcoming everyone.

The poster features a green background with the school name 'St. MacNissi's Primary School' in white. Below it, 'ADMISSIONS 2024' is written in colorful, rounded letters. A blue text block says 'We welcome all new admissions of children from all faiths'. On the left, three circular images show children in red robes, children in a classroom, and two children smiling. Child Protection and Safeguarding

Should you have concerns about your own or another child inside or outside of school, this should be reported in the first instance to Mr Oakes (DT) or in his absence Mrs O'Broin (DDT).

If you have immediate concerns outside school time (weekends, holidays, evenings) do not hesitate to call the Referral Gateway Team on **0300 1234 333** or **028 9442 4459** or the PSNI Central Referral Unit on **028 9025 9299** or **101 Ext 30299**.

In St. MacNissi's, we aim to work closely with parents/guardians in supporting all aspects of their child's development and well-being. Any concerns a parent may have will be taken seriously and dealt with in a professional and confidential manner. Should you have a safeguarding concern, please follow the steps below.

Nut Allergies

We have several children in school who suffer from nut and other allergies. It is important that there is strict avoidance to this food group in order to prevent a life-threatening allergic reaction. Consequently, we must ask that you do not send nuts or nut products into school (either for healthy break or packed lunch). This includes peanut paste, Nutella, all nuts and cooking oil containing peanut oil, as well as foods containing nuts such as cereals and muesli bars. This is particularly relevant now that children are eating lunches in their classrooms. Thank you for your co-operation in this matter.

Some people, especially those allergic to peanuts, may have allergic reactions after eating lupin or foods containing ingredients from lupin.

Our school catering team have requested that parents advise if their child has an allergy related to this.
