Celebrating Catholic Schools Week 2024

The theme for Catholic Schools Week this year is Communities of Service and it will run from Sunday 21st January to Saturday 27th January 2024. As part of our Catholic Schools Week celebrations, the whole school will attend Mass on Monday 22nd January at 10am in St MacNissi's Church. Parents and grandparents are welcome to attend or watch the service from home on the live stream.

Keep an eye on our Facebook page and website for updates.

Grandparents Day

As part of the Catholic Schools Week, we would like to invite grandparents or someone special to your child to visit our school on Friday 26th January from 9.30am to 10.30am.

Tea and coffee will be served in the school assembly hall and grandparents will then have an opportunity to have a walk around the school visiting grandchildren on their way.

Primary One Applications

The EA Connect portal is open for the new Primary One admissions (September 2024)
<https://www.eani.org.uk/parents/admissions/primary-admissions-guide>

Applications close at 12 noon on Friday 26th January 2024. It is important to note that applications are not considered on a first come, first served basis.

If you know anyone who would like any advice or support with their application, or to arrange a visit to the school please contact the school office and we will be happy to help.

Waste Free Wednesdays

Our ECO Committee along with Miss Cunning and Miss McLaughlin are working to achieve our Eco-Schools Green Flag status. The committee are introducing **Waste Free Wednesdays** to reduce our use of single use materials and to encourage more sustainable choices within our school.

Every Wednesday we would ask that your child's break and lunch contain as few items as possible that must be thrown away. Ideally, your child's lunch will only contain items that will be eaten, composted, or recycled.

Reusable containers are a handy way to pack a waste free lunch. They also make it easy to buy food and drink in bulk which can save money over time. We are really excited for you to join with us in this new initiative and to make a positive impact on our environment!

Parent/Teacher Meetings

Parent/Teacher meetings will take place throughout the week commencing Monday 5th February 2024. School will finish at 1pm for all pupils on Monday 5th, Tuesday 6th, Thursday 8th and Friday 9th February to accommodate these meetings. These will be face to face meetings and your child's teacher will send home invite letters on Tuesday 23rd January 2024.

On Wednesday 7th February, school will finish at 11am to enable all staff to attend the Primary 7 Confirmation. There will be no lunches or dinners on this day.

Unfortunately, we cannot run the afterschool clubs on this week so refunds will be issued.

Child Protection and Safeguarding

Should you have concerns about your own or another child inside or outside of school, this should be reported in the first instance to Mr Oakes (DT) or in his absence Mrs O'Broin (DDT).

If you have immediate concerns outside school time (weekends, holidays, evenings) do not hesitate to call the Referral Gateway Team on **0300 1234 333** or **028 9442 4459** or the PSNI Central Referral Unit on **028 9025 9299** or **101 Ext 30299**.

In St. MacNissi's, we aim to work closely with parents/guardians in supporting all aspects of their child's development and well-being. Any concerns a parent may have will be taken seriously and dealt with in a professional and confidential manner. Should you have a safeguarding concern, please follow the steps below.

Nut Allergies

We have several children in school who suffer from nut and other allergies. It is important that there is strict avoidance to this food group in order to prevent a life-threatening allergic reaction. Consequently, we must ask that you do not send nuts or nut products into school (either for healthy break or packed lunch). This includes peanut paste, Nutella, all nuts and cooking oil containing peanut oil, as well as foods containing nuts such as cereals and muesli bars. This is particularly relevant now that children are eating lunches in their classrooms. Thank you for your co-operation in this matter.

Some people, especially those allergic to peanuts, may have allergic reactions after eating lupin or foods containing ingredients from lupin.

Our school catering team have requested that parents advise if their child has an allergy related to this.
