## Child Protection and Safeguarding

Should you have concerns about your own or another child inside or outside of school, this should be reported in the first instance to Mr Oakes (DT) or in his absence Mrs O'Broin (DDT).

If you have immediate concerns outside school time (weekends, holidays, evenings) do not hesitate to call the Referral Gateway Team on **0300 1234 333** or **028 9442 4459** or the PSNI Central Referral Unit on **028 9025 9299** or **101 Ext 30299**.

In St. MacNissi's, we aim to work closely with parents/guardians in supporting all aspects of their child's development and well-being. Any concerns a parent may have will be taken seriously and dealt with in a professional and confidential manner. Should you have a safeguarding concern, please follow the steps below.

## Nut Allergies

We have several children in school who suffer from nut and other allergies. It is important that there is strict avoidance to this food group in order to prevent a life-threatening allergic reaction. Consequently, we must ask that you do not send nuts or nut products into school (either for healthy break or packed lunch). This includes peanut paste, Nutella, all nuts and cooking oil containing peanut oil, as well as foods containing nuts such as cereals and muesli bars. This is particularly relevant now that children are eating lunches in their classrooms. Thank you for your co-operation in this matter.

**Some people, especially those allergic to peanuts, may have allergic reactions after eating lupin or foods containing ingredients from lupin**

**Our school catering team have requested that parents advise if their child has an allergy related to this.**
